Fly yourself to VIENNA or BRATISLAVA and join us for this interesting show at SLIAC

FRI 23 After your arrival in VIENNA, we head for BRATISLAVA and have a look around the airport. Our hotel for the next 2 nights is nearby. This is a spotter friendly airport with plenty of good views. If you have chosen to join here, we will collect you from the terminal in the evening.

We will use the VIP parking area and entrance. After the show, we stop at NITRY, with the airfield, museum and the Mig in the city, then returning to the hotel.
