

# Rome Weekend

# MAY

**FRI** We depart early from the UK direct to ROME FCO. We collect our vehicles and drive to our hotel which is situated at the side of the runway and end of the cross runway. Our hotel has a café and viewing platform, which allows great views of the whole airport and is great for pictures. We spend the rest of the day here, viewing from the platform. There is also the chance to visit a nearby scrapyards, a Viscount in a school and the presidential Conqair used as a restaurant.

**SAT** We have breakfast on the viewing platform, above the café. Start the morning viewing movements at FCO, then we depart late morning for CIAMPINO airport, where the low cost airlines, GA aircraft and the government fleet are based. Then we visit URBE in the afternoon, then back to FIUMICINO for the rest of the evening.

**SUN** After breakfast and a couple of hours at the hotel, we drive north to the fantastic AERONAUTICA MILITARE MUSEUM, with a huge collection of rare aircraft displayed. In the afternoon we return to our base, at the side of the runway, before returning to the terminal for our evening return flights to the UK.
