

MOSCOW with MAKS 2021

July 18-25

PROVISIONAL DATES

SUN 18 Depart from the UK to Moscow SHEREMETYVO. We start the trip at the fantastic Radisson at Sheremetyevo. This hotel overlooks the ramp and has a rooftop terrace that has amazing views. On arrival, we walk to the hotel and spend the afternoon viewing from the roof terrace, which will be opened all day, especially for our group.

MON 19 We have a full day at the hotel, to spend on the rooftop deck, or in the lounge area.

TUE 20 After breakfast we depart for a full day at DOMODEDOVO. We spend the day at the side of the or on the final approach (We will try to get a full ramp tour - if possible) Tonights hotel is under the approach.

WED 21 Today is a day trip to MONINO, CHERNOE and ZARYA, returning to our DME hotel in the evening.

THU 22 We depart for a full day at the fantastic MAKS Airshow (Trade day)

FRI 23 After a look at the morning arrivals, we move to VNUKOVO, where we spend time at the end of the runway, overlooking the General aviation ramps. We check-in at our hotel, with a fantastic panorama of the whole airport

SAT 24 This morning we have an option to visit both PARK PATRIOT and VADIM ZADOROZNY museums or you can spend the whole day at the hotel, viewing from your rooms, or the top floor lounge.

SUN 25 Our final day. We have a late morning departure back to SVO, via the domestic side of the airport, passing the technical school and GA ramp. We check-in for our return flights, returning late evening.

- Extensions and local departures are possible -

For those who have never been to Moscow, we will arrange a full day tour of the big museums and some of the various aircraft around the city. For this option, you can fly out one day early.

Fly out on Saturday, for an extra £75 - With Aviation city tour £115

(Single room, extra £60)

Cost: £1190 Deposit: £340 Single Room: £295
