

– Limited to 24 people –

SAT 19 We fly to CHICAGO and on arrival transfer to the HILTON overlooking the whole airport. We spend the rest of the day spotting from the hotel.

SUN 20 We spend the morning spotting in comfort from our rooms. At lunchtime we collect our minivans and depart for CHICAGO EXECUTIVE airport. Then on to MILWAUKEE airport. We then drive up in the evening to check-in at our home for the next 5 nights. We will be using new built suites at the Oshkosh University, with separate living room & several nearby eateries.

MON 21 Our first day at the Airshow at Wittman airport. We can use local transport, or our minivans, to get from our nearby lodging to visit the show and we will have EAA membership, and full week tickets, giving us entry to the show on all days.

TUE 22 Second full day at the airshow where you are free to spend as long as you like, before returning to the University. We also plan visit Basler Turbo, for a tour of the facility.

WED 23 Another day to visit the show. There is the opportunity to visit other local airports, such as OUTAGAMIE or FOND DU LAC (with many airshow overflow aircraft) in the evening after the show.

THU 24 Another full day at the airshow. Again you can visit local airfields in the evening.

FRI 25 Final full day at the show.

SAT 26 We have a short visit in the morning to the show, before departing and heading back to Chicago. We can stop en-route at KENOSHA, WAUKEGAN, TIMMERMAN and WEST BEND. Our hotel is near CHICAGO OHARE AIRPORT, Just under the approach.

SUN 27 We depart and have the whole morning at Midway airport before returning our vans at O'hare and checking in to the HILTON for our final night.

MON 28 We have the morning to view from our rooms, before transferring to the terminal for our evening flight back to the UK, arriving back next morning.
