**SAT 8** We depart from the UK via TBA. (Possibly with Swissair at the moment)

**SUN 9** We arrive for a full day spotting from the mound, or hotel. We stay at the LANGHAM hotel, which has a good view of the airport and runways. Both hotels have a free shuttle service.

**MON 10** Another free day in Beijing. Those that wish to, can optionally visit the Civil Aviation museum, Datan Shan museum, or a few other local aviation sites.

**TUE 11** Our last full day in Beijing. Spot from the room, or the mound.

**WED 12** We have a late morning flight to SHANGHAI HONG QIAO. Our hotel overlooks the whole airport and with our executive rooms we have access to the lounge, so you can spot from the sofas and enjoy free food and drink during your stay. Breakfast is available from the lounge or the ground floor restaurant. It's easy to watch arrivals and departures from your rooms, or the lounge.

**THU 13** We transfer at lunchtime to PUDONG airport. Our hotel for the next 2 nights is between the terminals and overlooks the runway. Again, spotting from the rooms, skybar or terminal upramps.

**FRI 14** We have a full free day here.

**SAT 15** We have an early flight to GUANGZHOU. Again, our hotel THE PULLMAN is between the runways and we can see both sides from our pre-assigned rooms.

**SUN 16** Full free day in Guangzhou. We will arrange a visit to the technical college during the day.

**MON 17** We depart at 1100 by coach for SHENZHEN, where we have a hotel overlooking the terminals and runways. The hotel will arrange to take us to an area near the new terminal, that overlooks the biz and cargo areas.

**TUE 18** 12 noon departure by coach to HONG KONG. We arrive at about 1300 directly at the MARRIOTT, which overlooks the airport, with a free shuttle to the viewing deck on terminal 2. The whole afternoon is free. Our rooms are on the executive floor, with access to the lounge (overlooking the airport) and free drinks, snacks and Cocktail evening. The food is so good during the 'happy hour' that you won't need to spend any money on food or drinks whilst in HKG. Pictures are great from the exec lounge sun balcony, especially when they are landing past the hotel.
