

After several successful visits, we will be running another long weekend, staying at our hotel overlooking the airport with it's own viewing balcony. Great for pictures and great value coffee!

**FRI 13** We fly out from the UK and arrive mid-morning at FIUMICINO. We collect our vehicles and head for our spotting location at the side of the runways. This spot watches the terminals and all 3 runways, has a snack bar and terrace and is great for pictures. Behind the deck is our hotel and just along the road is a handy supermarket.

**SAT 14** Today we have a short time at Fiumicino, then we have a shortdrive to CIAMPINO. We have a look from various viewing sites around the airport, before leaving for a quick visit to URBE. Then it's back to Fiumicino for the evening rush.

**SUN 15** After breakfast we take the scenic drive up to the AIRFORCE MUSEUM and it's fantastic collection. Then it's back to FCO for the last few hours before our return flights to the UK.

**We will also fit in visits to various aircraft around the city, including the CV440 in Fiumicino, a Viscount and a scrapyard on the motorway.**

Departures are from- LGW, LHR, LTN and various other airports.
