2021

GUARANTEE

2020 has been a devastating year for travel, but as we approach 2021, we want to help you plan ahead with confidence and safety.

This past year has been very difficult with getting refunds from airlines, so going forward we offer the following guarantees-

No flights or any part of tours will be paid until travel returns to normal

All trips will go ahead, unless travel is not advised or possible.

ALL tours will allow for a FULL REFUND within 14 days of any cancellation, if we have to cancel the trip, for any reason.

We will give as much forward notification as we can of any cancellation.

ALL deposits or other payments will be safe.

To help us with planning for the coming year, please help us by booking your place on any trip that you are interested in, with the knowledge that your payment is completely safe. Thank you for your continued support and your understanding, through this troubled period.

Best wishes and continue to stay safe.... *Aeroprints*
